American Dietetic Association (ADA) position adopted by the House of Delegates Leadership Team on October 18, 1987, and reaffirmed on September 12, 1992; September 6, 1996; June 22, 2000; and June 11, 2006. This position is in effect until December 31, 2013. ADA authorizes republication of the position, in its entirety, provided full and proper credit is given. Readers may copy and distribute this paper, providing such distribution is not used to indicate an endorsement of product or service. Commercial distribution is not permitted without the permission of ADA. Requests to use portions of the position must be directed to ADA headquarters at 800/877-1600, ext. 4835, or ppapers@eatright.org.

Authors: Winston J. Craig, PhD, MPH, RD (Andrews University, Berrien Springs, MI); Ann Reed Mangels, PhD, RD, LDN, FADA (The Vegetarian Resource Group, Baltimore, MD).

Reviewers: Pediatric Nutrition and Sports, Cardiovascular, and Wellness Nutrition dietetic practice groups (Catherine Conway, MS, RD, YAI/National Institute for People with Disabilities, New York, NY); Sharon Denny, MS, RD (ADA Knowledge Center, Chicago, IL); Mary H. Hager, PhD, RD, FADA (ADA Government Relations, Washington, DC); Vegetarian Nutrition dietetic practice group (Virginia Messina, MPH, RD, Nutrition Matters, Inc., Port Townsend, WA); Esther Myers, PhD, RD, FADA (ADA Scientific Affairs, Chicago, IL); Tamara Schryver, PhD, MS, RD (General Mills, Bloomington, MN); Elizabeth Tilak, MS, RD (WhiteWave Foods, Inc, Broomfield, CO); Jennifer A. Weber, MPH, RD (ADA Government Relations, Washington, DC).

Association Positions Committee Workgroup: Dianne K. Polly, JD, RD, LDN (chair); Katrina Holt, MPH, MS, RD; Johanna Dwyer, DSc, RD (content advisor).

The authors thank the reviewers for their many constructive comments and suggestions. The reviewers were not asked to endorse this position or the supporting paper.
